- BOOTH

- *Covid19 pandemic poses a challenging time for organising an event. As a result, many events or conferences have to be postponed or even cancelled. To address the issue ILSAS has developed a virtual event platform.*
- *Our virtual platform is a holistic solution which provides **complete user management with gamification features, virtual 3D immersive realistic gallery, live event and conference session and up-to-date analytics function.***
- *We will ensure a **competitive price** of our solution that can suit your budget.*

## SYSTEM DIAGRAM

## TECHNOLOGY STACK

## BENEFITS

Lower operating, marketing, and staffing costs.

Easier to manage (you don't have to literally move people).

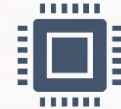

Don't have to spend a lot of time looking at venues.

No need to worry about catering, human logistics, or health and safety.

Guests learn to look forward to your online communications.

Tools to host are relatively cheap.

Easier to find quality speakers if they don't have to travel.
